

MANUFACTURERS TECHNICAL DATA SHEET

KLENZ 85W140 Gear Oil (Axle Oil)

Description

Klenz™ Pure Protection™ 85W-140 gear oil is a high performance, multipurpose, thermally stable, EP automotive gear lubricant formulated with “clean gear” technology for applications where API GL-5 performance is required.

Application

- Suitable for broad range of trucks, farm machinery, earth-moving and excavating equipment.

Advantages / Benefits

- Long life performance and stable at high temperatures.
- Film strength greatly enhances wear and shock-load protection.
- Resists rusting and oxidation
- Excellent load carrying capabilities prolong gear life by ensuring that gears operating under harsh loads are protected.

Performance Standards

Klenz 85W-140 Gear oil meets API GL-5.

Typical Characteristics

Klenz® Pure Protection® EP85W-140 Gear Oil

Product Code	KL85W-140
Colour	Dark Amber
Appearance	Clear and Bright
Density @ 15°C	Approx.0.900 kg/l
Viscosity @ 40°C	355 cSt
Viscosity @ 100°C	26.3 cSt
Viscosity Index	99
Pour Point °C	-15°C

All reasonably practicable steps have been taken to ensure this data sheet and the information contained in it is accurate as of the date specified below. No warranty or representation, express or implied is made as to the accuracy or completeness of the data and information in this data sheet. The data and advice given apply when the product is sold for the stated application or applications. You should not use the product other than for the stated application or applications without seeking advice from Klenz Chemicals. It is the user's obligation to evaluate and use this product safely and to comply with all applicable laws and regulations. Klenz Chemicals shall not be responsible for any damage or injury resulting from use, other than the stated product use of the material, from any failure to adhere to recommendations, or from any hazards inherent in the nature of the material. Purchasers of the product for supply to a third party for use at work, have a duty to take all necessary steps to ensure that any person handling or using the product is provided with the information in this sheet. The information in this publication is based on our experience and reports from customers. There are many factors outside our control and knowledge which affect the use and performance of our products for which reason no warranty is given, express or implied. This information sheet was prepared from the best information available at the time of issue. While the values and characteristics are considered representative, some variation, not affecting performance, can be expected. It is the responsibility of the user to ensure that the products are used in the applications for which they are intended. You can contact Klenz Chemicals to ensure that this document is the most current available. Alteration of this document is strictly prohibited.
